Berta Smetana's postcard to her daughter, Lucie Smetana.

The card, translated by Margret Vince, reads in English:

3 IX 39

My dear, precious little Lucie,

I am desperate as I have had no mail from you for two weeks now. I have been travelling for 24 hours and have just ended up here. If I don't find little Sonja (Sonjali) soon, I may not find her perhaps for months, because the evaluation is kept secret. I don't know where Omi (qranny) is either.

Lucie, for your birthday I wish you every good thing, and above all health, health, and once again health. I shall

send you a present from Paris.

Write straight away Paris, 24 Bld. Malesherbes It may take another day or two until I arrive there.

Warm and loving kisses from your Mummy.

Susan Soyinka, Berta's granddaughter.
